Team Taiko to Perform at Heart the Homeless 5k Fundraiser

Saturday, April 27, 2019, Ernie Howett Park, Rolling Hills Estates

SAN PEDRO, CA: Team Taiko, a program of the Grand Vision Foundation, will perform at Harbor Interfaith Service's second annual 5K run/walk Heart the Homeless. The event will take place on Saturday, April 27, from 6:30 to 9:30 a.m. in Ernie Howett Park, Rolling Hills Estates.

Team Taiko is Grand Vision's signature community engagement program for adult English Language Learners, adults with disabilities, and the general adult education population. Taiko is a native form of Japanese music performed by an ensemble drumming *kumi-daiko*. The

group's fall session culminated in a performance at the Torrance Armstrong Center, and the spring session will end with a Grand Annex performance and Mochi making ceremony.

On April 27, however, Team Taiko will make the earth rumble under the feet of 300+ race/walk participants, encouraging them to either win or finish.

Grand Vision Foundation is a nonprofit 501(c)(3) organization producing live concerts, film screenings, performances and educational events at the historic Warner Grand Theatre in San Pedro. It also offers an arts education program called Meet the Music. Grand Vision is the Friends' Group to the Warner Grand Theatre.

Heart the Homeless is a fundraiser for Harbor Interfaith. The event includes a 5k run/walk, costume contest ("Spring" theme), health expo, and nonperishable food drive. Sponsors include Torrance Memorial Medical Center and LA Care.
